

See Say[®]
Incident Reporting

Gun Threat

"Employee is upset. He told us and showed us he has several guns in his truck and will use them soon. We are really scared."

Surveillance

"Two men in the corridor near Starbucks looking through binoculars. Using their phone with every look through binoculars."

Sterile Area Violation

"Contractors walking in the sterile area with razors, knives and screw drivers. Someone could handoff a weapon that could be carried onto a plane."

Plotting

"I think the construction workers at airport are plotting something."

Terminated Employee

"Employee keeps coming into the kitchen where he was terminated. He also threatened to hurt my boss."

Disgruntled Employee

"A disgruntled employee just walked out of the store. He poses no physical threat but declined turning in badge to supervisor."

Suspicious person

"Weird woman secretly taking pictures of people and the construction at airport."

Combative Individual

"Individual permanently nesting in the ready room. He becomes aggressive and combative towards anyone who enters this room."
